July 2013 News

Hi Everyone!

I hope that everyone is enjoying their summer! School will be starting before we know it and so enjoy every minute!

First, let me start with an update on the Y.E.S. Convention. We had a great group of MQHYA members who made the trip to Amarillo. Jack Medows, Denim Smith, Lydia Whetstine, Kelsey Ward, Tyler Ward, Max DeMint, Giorgia Medows, Maddox Murphy and I, represented MQHYA to the best of our abilities! We were also blessed to have great chaperones, Pam Downing, Linda Murphy, Nicci DeMint and Amy Medows! We appreciate the adults so much for taking their time to give us such a great experience! Y.E.S was truly a blast. This seminar allowed our members to form friendships with kids from all over the country! Everyone showed great leadership skills. I am honored to have become an AQHYA National Director. The AQHYA Officer and Director team worked for a couple extra days planning some great events for the Youth World Show. If you ever have any suggestions, please feel free to let me know. I encourage everyone to try to attend next year.

We are weeks away from the AQHYA World Show. Our entries have been turned into AQHA and we should be all set to go! Denim Smith has been busy working on Team Missouri T-Shirts for the parade of teams and also Team prizes! Pam Downing and Bruce and Dawn Smith are busy putting together great stall decorations. We will be contacting the team members with stall assignments as soon as we hear back from AQHA with our location. Below is a list of our team members and the classes they will be showing:
