MQHYA will award a certificate for one month's training to the highest bidder in the silent auction for each trainer. The winning bid for each trainer will be announced on Saturday, May 18th at Gateway and payment will be collected at that time. The trainers will receive \$300 back from MQHYA to help offset their board expense along with notification of who received the winning bid for their professional services.

Please help us spread the news of this great opportunity to purchase one month training while also helping Missouri Youth teams! If you are not planning to attend the Gateway Classic show, but you would still like to bid on your favorite trainer, just email your bid to Linda Murphy at [themurphybunch@wildblue.net](mailto:themurphybunch@wildblue.net) or send her a text to 573-579-8840.
