

Getting To Know Our Secretary, Alexis Maes

By: Maddox Murphy

I have had the privilege to talk to Alexis Maes, who is serving her second year as our MQHYA Secretary. Alexis is 17 years old and is a senior at Springfield Catholic High School. She is originally from Iowa City, Iowa, but now lives in Springfield, Missouri. She would like to go to either the University of Iowa, Iowa State, or the University of Colorado, and is hoping to either study fashion design or pre-law. Alexis has two Great Danes, and a Maltese.

Alexis has only been showing AQHA for about two years but she used to show Buckskins. Alexis shows in Hunter Under Saddle and Western Pleasure. She says that her favorite horseshow would have to be the Congress, because everybody goes there! Alexis says that her favorite MQHYA Memory so far was going to the Y.E.S. Convention this past year and meeting tons of new people from all around the country and the people from the Youth World Cup.

Alexis's favorite food would have to be anything at either Buffalo Wild Wings or Chipotle, which is why they are her favorite restaurants as well. She also enjoys eating her favorite candy, M & M's. When deciding what movie she would like, Divergent is her favorite! When she is asked what her favorite color is she says, she "loves all colors equally." Her favorite vacation would have to be Cancun, Mexico! Alexis's goal as secretary this year in MQHYA is to, "Help others enjoy AQHA as much as I do."
