

***Getting to Know Our
New Treasurer,
Molly Mitchell***

By: Maddox Murphy

I have asked our new treasurer, Molly Mitchell some questions to help us get to know her. Molly is 14 years old and is from Cuba, Missouri. She is in the 8th grade at Cuba Middle School. She plays basketball, in addition to showing horses. She says that her favorite horses are Wes and Skeet, who are her reining horses. Molly has a new puppy named Mia that she is excited to take to the horse shows. She is a Blue Heeler and Australian Shepard mix.

Molly has been showing horses since she was 2. She started showing in lead line and walktrot. She then got a pony named Dolly that she showed in halter, showmanship, western pleasure, barrels, and poles. Molly says that she just started riding reiners 3 years ago, but she is hooked and will be riding reiners for the rest of her life!

Molly says that being at the AQHYA World Show is always her favorite memory! She loves the parade of states and being with her team. Molly says she “loved the year we put Maddox on the bed and walked through the arena... Jack and Brock came out from under the bed with world championship trophies!” Her favorite horse show is the Congress! She loves the food, golf carts, and the Breyer store! Her favorite class is the reining.

Molly's favorite food would have to be Bourbon Chicken... from the Congress! Her favorite candy is Skittles, and her favorite color is blue. She says that a fun fact about herself is that she eats barbeque sauce on everything! Molly's goal as treasurer is to understand how to take care of the checkbook and to pay bills. We appreciate all that Molly and her family do for MQHYA!
