

***Getting to Know Our
New Director at Large,
Hannah Inchiostro
By: Maddox Murphy***

I have recently visited with one of our new Directors at Large, Hannah Inchiostro. Hannah is from St. Charles, Missouri, and has 2 horses and 1 dog. Her horses' names are Babe and Hope, and her dog's name is Lucky. She started showing MQHA about 2 years ago in Small Fry Walk Trot, and in her 2nd year she showed in Novice Youth Western Riding.

Hannah's favorite MQHYA experience is winning the High Point belt buckle for Western Riding. Her favorite horse show is the American Royal, and her favorite class is western pleasure.

Hannah's favorite color is blue, and her favorite candy is a Three Musketeers candy bar. Her goal as Director at Large is to have everyone feel comfortable around each other at the shows. Thanks, Hannah, for all you do for MQHYA!
