

**Patrick
& Lisa
Ramsey**

MQHA MEMBER SPOTLIGHT

Let's get to know...

Patrick & Lisa Ramsey

Where do you live?

We live in Bois D'Ark, MO. Patrick is from Bois D'Ark, MO and I am from Springfield, MO.

How long have you been showing horses?

Patrick started showing as a child in 4-H and open shows. I was introduced to this amazing sport when our son Michael, joined 4-H and started showing his pony in our local open and 4-H shows. It was about 1998 when Patrick started showing registered shows with the encouragement of his good friend Jimmy Morris at the MQHA Futurity. I didn't start showing registered shows until our daughter Tiffany, who was an MQHYA member for several years went off to college...then I decided it was time to focus on showing myself!

What is your favorite horse show?

Patrick would pick the MQHA Futurity at the State Fair back in the day! I would pick the MQHA Boystown Show when our daughter Tiffany was showing as a youth, it was always a blast!

What is your favorite event to show in?

Patrick votes Western Pleasure and I votes trail!

What is your favorite class to watch?

Patrick really enjoys watching the 2 year old western pleasure classes and I love the leadline!

Who is your all-time favorite horse? And why?

Patrick would say, Saturday Night Invite because it was a better horse than he ever expected. I would say, Sports Moon Charger, our daughters barrel horse. He took her to the AQHYA World Show several years in a row in the barrels, poles and stake race. I would tear up every time I watched the two of them run.

If you are not at a horse show, what would we find you doing?

You would find Patrick riding any one of the young horses we raise, preparing them for their future. I spend my time playing with our grandkids and practicing my show events.

Do you have another job...besides taking care of your horses?

Patrick is the owner and operator of Ramsey Pump Service, a water well business in SW MO. I work full time for Mercy hospital in Springfield, MO in the Pharmacy Administrative Office.

Favorite food?

Patrick loves my grilled pork steak and I would pick Mexican.

Favorite restaurant?

We both agree on, The Brothers Houligan in Tulsa, OK

Favorite fun class at a horse show?

Patrick says, "Egg and Spoon", I like, "Through the Barrel"

Favorite movie?

Patrick goes western with Lonesome Dove, and I would go with a comedy and pick Christmas Vacation.

What is your dream vacation?

Patrick's would be to show at the AQHA World Show! I would like to be on a tropical island with Pat, my kids and grandkids!

Tell us something most people don't know about you?

Patrick served six years in the National Guard. I would love to drive a race car on a track someday!

If there is anything else you would like to share, please tell us!

I believe it was an old friend, Roger Parker who kept encouraging us to check out a QH show at Royal Oaks arena in Carthage, MO, many years ago, and we were both hooked from that moment on! We are very thankful for the friends and trainers that have mentored and shared their love of horses with us along the way, which has fueled us to learn as much about this amazing sport as we can. We are blessed to have been able to raise our family with horses!

Thanks Patrick and Lisa for sharing and for being members of MQHA!
